

HEASC Organizational Updates – 2nd Quarter 2013

NIRSA

- Sustainability Commission has identified priorities.
 - Ambassador program with five points of contact during the year.
 - Greening events and developing resources for regional and state events.
 - Working with outside agencies.
 - Joining Green Sports Alliance.

ACUHO-I

- Sustainability Committee will have table at ACUHO-I Conference.
 - Sustainability Pledge (new this year, will start at the conference)
 - Distribute information on their activities
- Holding webinars.

ACPA

- Annual convention will have sustainability themes.
- One-day sustainability symposium
- One-day conference on sustainability prior to main convention
- July: Coordinate a writing retreat on member resources
- Phone interviews will all commissions and committees to see what they are doing with sustainability. Will use findings to make recommendations to the Governing Board on how sustainability can be included throughout the organization.
- NIRSA/NASPA/ACPA are trying to brainstorm how the three organizations can collaborate on a joint initiative.

NAEP

- Annual meeting held at Disney in Florida.
- Determining mission and vision of sustainability committee.
- Reviewed and revamped annual/bi-annual green survey.
